Message to the Graduating Class of 2021

Congratulations to you all! You have weathered a storm that you were not expecting through your Grade 11 and your Grade 12 years, and we know this has been hard. We applaud you for how you have dealt with the challenge and we know it has made you stronger, able to face many challenges ahead with courage. I wish you all every success in the future. Continue to be proud of all you do!

Julie Lanton

Never underestimate the power of persistence, the value of time, and the importance of relationships, and always do the right thing. Endeavor to live your life always moving forward and leave nothing behind but fond memories.

Mark Sullivan

Be brave and creative in an even more unknown world ahead of you .

Donald Caldwell

F.E.A.R has two meanings – Forget Everything And Run or Face Everything And Rise, the choice is yours.

Dave Nguyen

They say a mind is like a parachute. It doesn't work if it is not open. BCIS has opened your mind. Go fly!!

Patrick Kitsao

"If you don't like something, change it. If you can't change it, change the way you think about it."
– Mary Engelbreit.

Ellie Flesher

Hard work beats talent, when talent doesn't work hard.

Yanglong Tai

Inevitably the COVID-19 pandemic has brought us together. There was no training for this new experience, no friendly person who had been through it before to give us a hand. However, because of the shared experiences of things like WWW, focus on community services, and leadership opportunities throughout your years at BCIS, that I am very proud to say that you all have been collectively exceptional in rising to the challenges presented. It will undoubtedly pay dividends for you in the future. Bravo 2021 Graduates! You will be missed, Mrs. McQueen

Ale McQueen

Gatsby believed in the green light, the orgastic future that year by year recedes before us. It eluded us then, but that's no matter – tomorrow we will run faster, stretch out our arms farther. . . . And then one fine morning – So we beat on, boats against the current, borne back ceaselessly into the past.

Steven Selkirk

You guys have been tested a lot this school year, and you all did amazing! You adjusted well to the circumstances that this pandemic has brought to your studies. I am very proud of you all. Keep your heads up high and never doubt yourself because you are all WARRIORS! keep in touch and I hope to see you guys in the future.

Karl Mejia

乘风破浪，一往直前。

It was a pleasure working with the class of 2021 this year. You are full of talent, enthusiasm, and ability. So many among you have strong leadership skills and if you believe that you have the power to bring about positive change in your communities, the world will be a better place because of your efforts.
