BCIS is an International Baccalaureate (IB) World School authorized to offer all levels of the IB curriculum through the Diploma Programme.

BCIS is accredited by the Council of International Schools (CIS) and Western Association of Schools and Colleges (WASC).

School and Community

Beijing City International School (BCIS) is a non-profit private school. With the approval of the Education Committee of Chaoyang District, Beijing, BCIS acts as a pilot school offering educational reform and innovation through international educational practices that incorporate 15 grades of schooling, from pre-school to Grade 12. The language of instruction at BCIS is English.

BCIS was founded in 2005 and has grown rapidly from a small elementary school to a comprehensive international school. The current enrollment of 1,250+ students is from 28 different nationalities. The largely expatriate faculty is mainly from the US, Canada, Australia and the UK as well as from a number of other countries and regions around the world.

BCIS is unique in that it is the first international school invested by a Chinese national, whose vision for the school sees BCIS as a bridge between China and the World. As a result the school is permitted to enroll students who hold passports from Mainland China. The school's Central Business District city location serves families who are employed by embassies, multinational corporations and other businesses.

Accreditation

With the approval of the Education Committee of Chaoyang District, based on creatively and authentically implementing the Chinese national curriculum, the school curriculum consists of Early Childhood, Primary Years Programme, Middle Years Programme and

Diploma Programme, all accredited and authorized by the International Baccalaureate Organization. We also offer the BCIS IDEATE Diploma, our bespoke alternative to the IB Diploma. BCIS is accredited by the Council of International Schools (CIS) and the Western Association of Schools and Colleges (WASC). As a member of the East Asia Regional Council of Schools (EARCOS), the Association of China and Mongolia International Schools (ACAMIS), and the International Schools Athletic Conference, Beijing-Tianjin (ISAC), the school is an active participant in various activities among the member schools and communities.

School Calendar

BCIS operates a two-semester school year – August to January and February to June respectively for Semesters One and Two. There are over 180 school days in the teaching year.

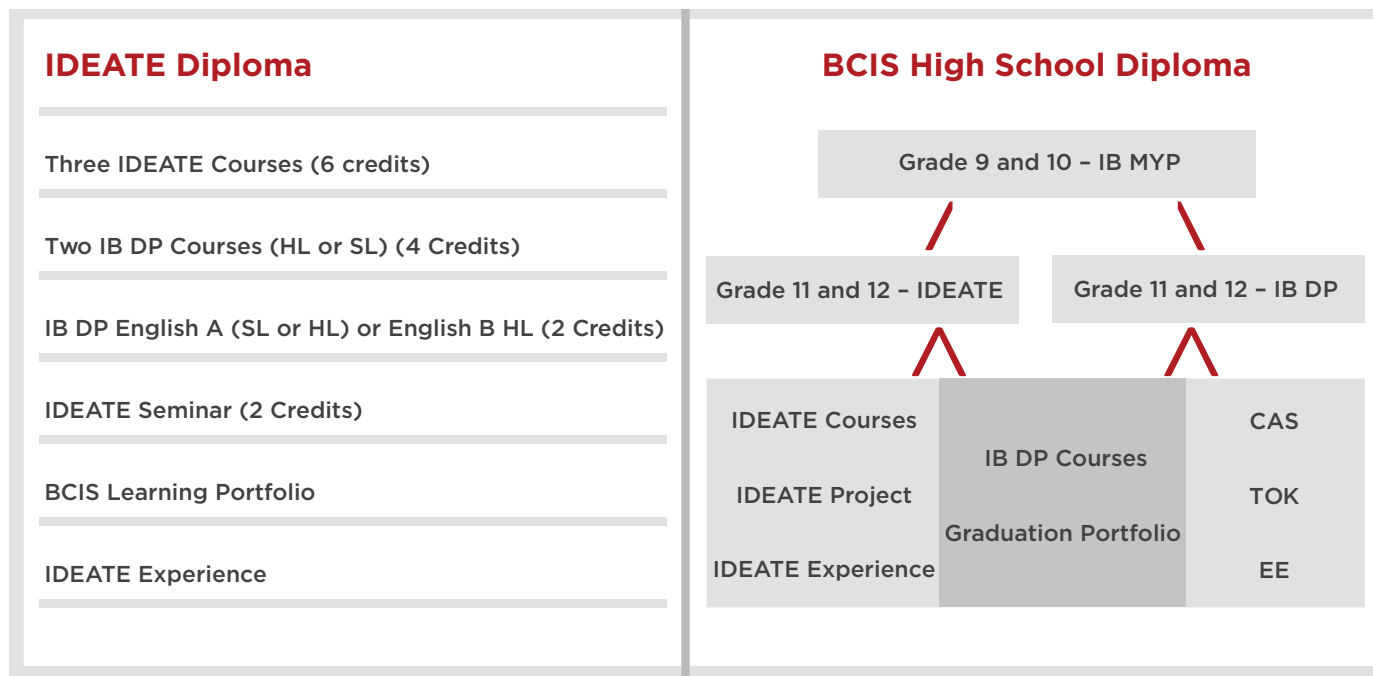

School Curriculum

As an IB World School, BCIS offers all three IB programs that innovatively incorporate the requirements of the Chinese national curriculum into the school program. In Grade 11, students choose between two pathways towards achieving their BCIS High School Diploma: IB Diploma Programme (IB DP) and BCIS IDEATE Diploma program.

The IB DP is an internationally recognized, rigorous university preparation program, the graduates from which are keenly sought after by many prestigious universities around the world.

BCIS IDEATE Diploma Program is an innovative High School program that empowers students to thrive in an ever-changing world through rigorous courses, portfolios, experiences and projects. The IDEATE Diploma Program is accredited by the Council of International Schools (CIS) and Western Association of Schools and Colleges (WASC). The graduates are self-directed and highly motivated students who are admitted to renowned universities world-wide.

Grading System

BCIS reports academic progress twice each year and the reports are comprehensive documents based on the assessment guidelines of the IB or IDEATE.

BCIS uses a 7-point grading system where 7 represents the highest grade possible and 1 represents the lowest grade possible.

Graduation Requirements

BCIS offers the IB Diploma and IDEATE Diploma. Our High School Diploma requirements include a total of 24 credits. These credits are distributed across the following areas: English (4 credits), Mathematics (3+ credits), Science (4 credits), Humanities (3+ credits), Arts (2+ credits), Additional Language (2+ credits), Physical Education (2 credits), Electives (4 credits), and Community and Service. All students graduate with the BCIS High School Diploma. Successful IB and IDEATE Diploma candidates are also awarded their respective diplomas.
