Mohamed Alsabawi (mohamed.alsabawi@bcis.cn)

BCIS is an International Baccalaureate (IB) World School authorized to offer all levels of the IB curriculum through the Diploma Programme.

BCIS is accredited by the Council of International Schools (CIS) and Western Association of Schools and Colleges (WASC) and is a member of Mastery Transcript Consortium (MTC).

School and Community

Beijing City International School (BCIS) is a non-profit private school. With the approval of the Education Committee of Chaoyang District, Beijing, BCIS acts as a pilot school offering educational reform and innovation through international educational practices that incorporate 16 grades of schooling, from pre-school to Grade 12. The language of instruction at BCIS is English.

BCIS was founded in 2005 and has grown rapidly from a small elementary school to a comprehensive international school. The current enrollment of 1,350+ students is from 27 different nationalities. The largely expatriate faculty is mainly from the US, Canada, Australia and the UK as well as from a number of other countries and regions around the world.

BCIS is unique in that it is the first international school invested by a Chinese national, whose vision for the school sees BCIS as a bridge between China and the World. As a result the school is permitted to enroll students who hold passports from Mainland China. The school's Central Business District city location serves families who are employed by embassies, multinational corporations and other businesses.

Accreditation

With the approval of the Education Committee of Chaoyang District, based on creatively and authentically implementing the Chinese national curriculum, the school curriculum consists of Early Childhood, Primary Years Programme, Middle Years Programme and Diploma Programme, all

accredited and authorized by the International Baccalaureate Organization. We also offer the BCIS IDEATE Diploma, our bespoke alternative to the IB Diploma. BCIS is accredited by the Council of International Schools (CIS) and the Western Association of Schools and Colleges (WASC). As a member of the East Asia Regional Council of Schools (EARCOS), the Association of China and Mongolia International Schools (ACAMIS), and the International Schools Athletic Conference, Beijing-Tianjin (ISAC), the school is an active participant in various activities among the member schools and communities.

School Calendar

BCIS operates a two-semester school year – August to January and February to June respectively for Semesters One and Two. There are over 180 school days in the teaching year.

School Curriculum

As an IB World School, BCIS offers all three IB programs that innovatively incorporate the requirements of the Chinese national curriculum into the school program. Students can begin to choose courses in Grade 9 to personalize their pathway to a BCIS High School Diploma through the IB Diploma Programme (IB DP) and the IDEATE Program.

The IB DP is an internationally recognized, rigorous university preparation program, the graduates from which are keenly sought after by many prestigious universities around the world.

The IDEATE Program is a selective, eligibility-based opportunity for driven students. Designed to be both academically rigorous and self-directed, the program empowers learners to chart their own educational journey through a dynamic blend of pathways — including IBMYP, IBDP, AP, high school subjects, and university courses, some of which are online.

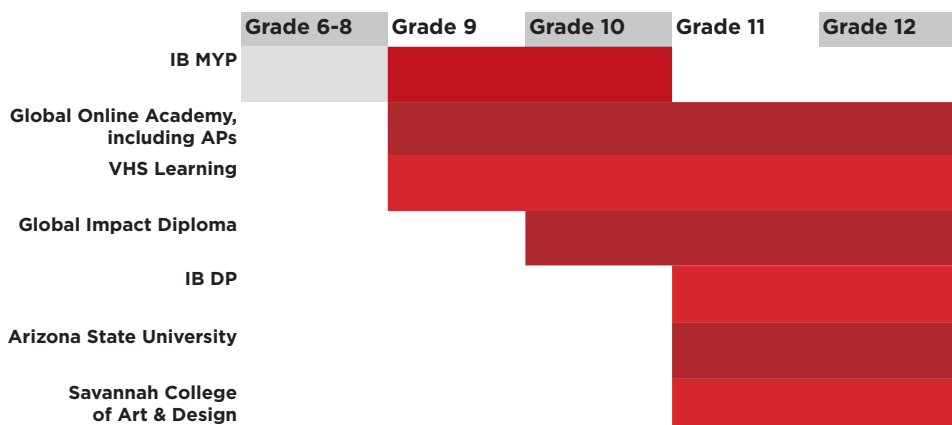

The IDEATE Program also offers competency-based courses designed in collaboration with the Global Impact Diploma.

Throughout high school, IDEATE students may design and complete an extended projects, engage in meaningful internships, and gain hands-on experience that transfers classroom learning to real-world impact. Credits are earned not only by passing academic requirements but also by demonstrating the ability to apply knowledge and skills in authentic, real-world contexts.

Personalization at BCIS High School

Credits from Grade 9-12 are all components that can qualify students for a BCIS High School Diploma

Creativity, Activity, and Service (CAS) and the Graduation Portfolio & Defense are required in order to graduate with a BCIS High School Diploma.

The Global Impact Diploma (GID) is an international collaboration for impact and innovation, whose curriculum is designed for student agency, meaningful learning, and well-being — BCIS offers four GID courses this year.

Grading System

BCIS reports academic progress twice each year and the reports are comprehensive documents based on the assessment guidelines of the IB or IDEATE.

BCIS uses a 7-point grading system where 7 represents the highest grade possible and 1 represents the lowest grade possible.

Graduation Requirements

Our High School Diploma requirements include a total of 24 credits. These credits are distributed across the following areas: English (4 credits), Mathematics (3+ credits), Science (4 credits), Humanities (3+ credits), Arts (2+ credits), Additional Language (2+ credits), Physical Education (2 credits), Electives (4 credits), and Community and Service. All students who fulfill the credit requirements above graduate with the BCIS High School Diploma. In addition, BCIS offers programmatic diplomas (IB Diploma and IDEATE Diploma) to students who successfully complete their respective program's diploma requirements.

IB DP Class Results Class of 2026		
	World Average	BCIS
Mean (max 45)	30.88	32
Pass Rate (%)	82.61%	95.2%
